TO WHOM IT MAY CONCERN

This is to place on record my sincere gratitude to the Institute of International Relations, University of Warsaw for having led me and my students through a detailed and exciting Summer School on the Business Environment in the European Union from June 08, 2013 to June 19, 2013.

I specially wish to commend my esteemed friends, Prof. Jakub Zajęzkowski, Prof. Łukasz Gołota, and Dr. Anita Budziszewska for having taken personal interest and pains in making this the best Summer School my students could attend anywhere in the world.

Be it the request for vegetarian food, special needs regarding accommodation, last minute requests to include additional venues in the itinerary, even the request to be accompanied by particular preferred friends, all were met with an unflinching smile and courtesy.

I have no reservation in saying that this should be the model for all Summer Schools.
